## From The Principal's Desk

“This school is loved.”

This was my opening remark to the sesquicentennial in front of 300 people who demonstrated their love for Yetman Public School by attending this event. And what a great day it turned out to be. Nostalgia and the future came together as past students told stories of high jinx in their day and our future leaders confidently showed us their talents in speech, drama, singing and bike decorating. The raising of the time capsule was fascinating with letters addressed to family members, students' work, a bottle of coke, a glue stick (that still works), photographs, cookbooks, a bottle of port and newspapers. I would personally like to thank the following people for making this brilliant event possible:

- \* the P&C and school parents for the BBQ lunch, the jumping castle and helping to coordinate the evening event. A huge thanks for all parents who helped with the working bee and the sandstone sleepers.
- \* the CWA for providing a wonderful morning tea and lunch. The sandwiches were delightful.
- \* Janet and David Kent from the Yetman Store for the delicious coffee.
- \* Greg Hill for the generous donation of the beautiful sandstone sleepers that have transformed our rose gardens which were admired by all.
- \* the community members who entered in our parade: the SES, Rural Fire Brigade, the Venables Family, Marie Crumpton, John Hamilton, John Hill and Alan Uebergang.
- \* the staff and students of Yetman Public School for the hours and hours of preparation and hard work for the event.
- \* The Hon. Adam Marshall (MP for Northern Tablelands) and Cr Jacki Watts (Inverell Shire Council) for giving up your time to attend our event.
- \* Nerissa Jackson for taking on the challenge of compiling the Sesquicentennial Book, and
- \* Amanda Frankcom for the beautiful cake.

Lastly I would like to thank all of the visitors who attended the event. It was lovely to meet former Principals, teachers, students and family members. I invite everyone to send in an item for us to put into the new time capsule to be opened in 25 years time. Please forward these items to the school by Friday 20 October 2017.

Mrs Charmaine Johnston

## LEGACY POSTER PRIZE!

Congratulations to Ellie Pender for receiving an award for her Legacy Poster.

Thanks to Legatee Ken Austin for coming out to the school to present Ellie with her Highly Commended Certificate.

Thank you also to everyone who supported Legacy by purchasing an item from the Legacy Week Box.

# K-1 All Stars News

Congratulations to all students on their magnificent performances at both the Eisteddfod and at the schools 150th celebrations. Every single one of you made the staff, your families and the community proud!

It was also lovely for Mrs Pender and I to be able to take you to Bingara to see the production of Aladdin and his Magic iPod. Again your behaviour was exemplary. A big thank you to Emma Hill and Kelley McCosker for driving the buses and to Amanda Frankcom and Bronson Moncrieff for accompanying us.

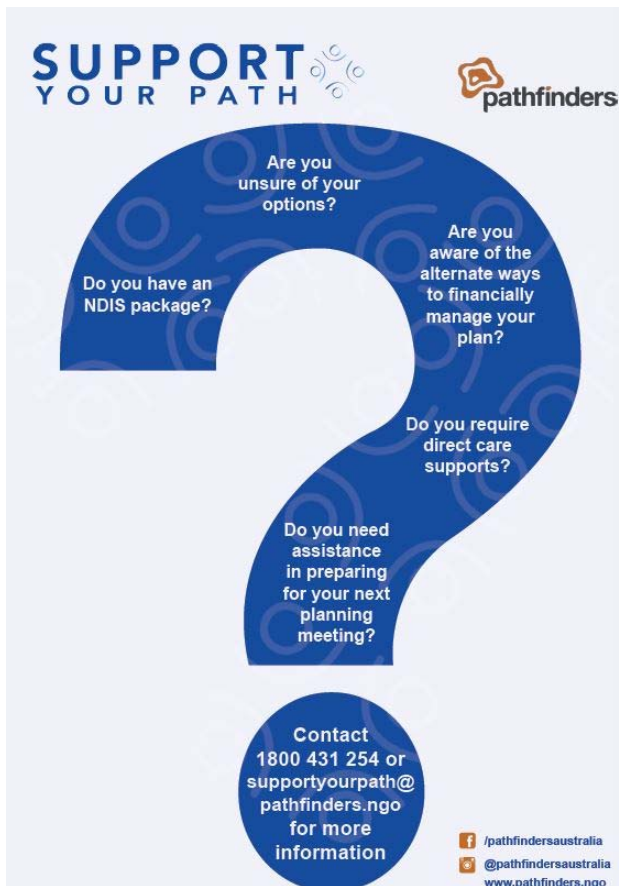

Now that all our performing and partying is over it's back to some serious work in the classroom! The All Stars enjoyed looking at a collection of writing from the 1992 K-3 class that was found in the Time Capsule pulled up at the 150th celebrations. We have each written a piece of work and completed some artwork to place in the Time Capsule that will be put down soon at the front of the school. For the rest of the term we will be writing lots of stories- focusing on structure. This means having a beginning with the 5W's in it, a middle with at least one complication and an ending. We are also continuing to try and make our writing more interesting by using adjectives to describe things, for example 'the large black cow' rather than 'the cow'. Kindergarten are also trying out their typing skills and having a 'red hot go' at publishing some of their work.

Science sees the All Stars continuing our School Yard Safari. We now investigating earthworms. We have learnt about the structure of an earthworm and made some 'traps' in our vegetable garden to see if we could collect some to observe and draw firsthand. Much to our delight- and that of the Yowies- we did!

## Regional athletics

**Bang** goes the gun. **Lightening** on our feet; **roaring** across the track; running so fast our feet are **burning**! On Friday the 1st September some students from Yetman travelled to Tamworth to compete in the regional athletics carnival. We all tried our hardest to win the race. In the relay heat we came second by two milliseconds. We were so lucky we made it into the final. In the final we ran as fast as we could and we came fourth. The fantastically fast students who competed in Tamworth were **Olivia Dight, Chris Read, Lily McCosker** and **Sophie Pender**. They all did a great job to come fourth in the relay finals. Olivia, Sophie and Chris did the relay and Lily did the relay, eight hundred meters and long jump. The junior girl relay was called off because one of our partners was sick. Everyone did a great job on the day.!

## The Sesquicentenary

Lots of people came to Yetman from many different places, near and far away, to our 150th celebrations. We started with the parade where others also joined in, riding in carts driven by big horses and riding decorated bikes. We also decorated the school's fantastic bikes - prepared and fixed by Col, Mrs Johnston's husband. We rode from the police station to the school to show off our wonderful bikes. We then had the formal ceremony - with lots of people giving funny and magnificent speeches that they took their own time to write and prepare. The students then performed a number of poems, a play, and some singing, Olivia also danced to 'I Am Australian'. We had a really fun time and everyone said we were very good. This was then followed by the raising of the time capsule, lunch and tea and coffee. We also had two enormous bouncy castles which all of the children had lots of fun in. We raised lots of money for the school, so we can get lots more resources. We had a look inside the time capsule, and found lots of photos, posters and letters. Overall we had a lot of fun!

**Mr Geoff Henley helping to raise the Time Capsule.**

**Mr Al Uebergang with his decorated bike (the same as the one he rode in the 1992 parade!).**

# 2018 Kindergarten Transition Days

Yetman Public School will be holding Kindergarten Transition days for children who may be ready to attend school in 2018.

Visit our school to help your child feel more comfortable and to start getting to know people there. We have a set of planned activities to assist your child to make a smooth transition to Kindergarten. Research indicates that children who settle quickly into school are more likely to be socially competent and achieve better results.

Our **2018 Kindergarten Orientation Days** will be held on:

\*Friday 20 October 2017      9am - 11:30am

\*Thursday 26 October 2017    9am - 11:30am

\*Friday 24 November 2017    9am - 3pm

\*Thursday 30 November 2017    9am - 3pm

For more information please call the school on 07 4675 3150.

## Inverell Eisteddfod

On Friday 24 August 2017 we participated in the Eisteddfod in Inverell. We performed a play, our own poems and two whole school poems.

Our school won two awards, one for our play and one for our whole school poem. The play was called 'Waltzing Matilda' and the poems we performed were "Benjamin Bandicoot" and 'From a Railway Carriage'.

Oscar received various medals and trophies including the Encouragement Trophy. Olivia received a scholarship for speech and drama and awards for piano, dance and singing.

Nearly every child in Yetman Public school won a medal. After our performances were over we had morning tea and went to the park. It was an awesome day.

By Georgina Caslick & Oscar McCosker

A child's necklace was found at the school following the Sesquicentenary Celebrations. Could you please contact the school if you are the owner?

## Apple-Berry Cream Cheese Scrolls

serves

12

### Ingredients

- 30g cold butter or dairy spread
- 2 cups self raising flour
- ¾ cup milk
- ½ cup spreadable cream cheese
- 1 teaspoon cinnamon
- 1 apple, finely chopped
- 1 cup fresh or frozen raspberries
- 2 tablespoons caster sugar

### Method

1. Rub spread into the sifted flour until mixture resembles fine breadcrumbs. Make a well in the centre, add milk all at once and mix to a soft dough. Turn out onto a lightly floured surface and knead lightly.
2. Roll out dough to a 1cm thick rectangle. Spread with cream cheese, sprinkle with cinnamon and then fruit and sugar. Roll up as for a Swiss roll and cut into 12 slices with a sharp serrated knife, wiping the knife between each cut.
3. Snuggly fit the scrolls into a 20cm x 30cm baking paper lined deep baking tray or slice tin and bake at 220°C for 15-20 minutes or until golden and cooked. Serve warm or cool with a glass of milk!

### Tips / Handy Hints

Preparation time: 10 minutes. Cooking time: 20 minutes. Try using mixed berries instead of raspberries in these scrolls. Also try other fruit combinations such as apple and suifana, banana and date or apricot and silvered almonds.

## Playtime

Brmm, brmm the trucks drove into the sandpit collecting sand and sticks and building roads and farms everywhere. All the school joined in building farms around the oval.

Everyone enjoyed driving the trucks fast. The trucks are tall and fast and good for farming. The farms have a good crop and every farm has a terrific barrier. Each truck has it's one job on the farm, it's awesome!

## Aladdin and His Magic iPod

On Tuesday the 5th of September the whole school went to Bingara to see Aladdin and His Magic iPod. It was a wonderful performance. Everyone loved the Kung Fu Master Pig [he had a black belt.] Every time they said Jean Genie, Jean Genie would turn into a flappy bird and do a really funny but weird dance. When it was over we got to high-five the characters and Rex got called Money Man by Aladdin. When we high fived the Kung Fu Master Black Belt Pig we also squeezed his nose. On the way back in Miss Hill's bus we played windmill and in Mrs McCosker's bus we played eye spy.
