

Yetman Public School

Newsletter

Over the past few weeks the students have demonstrated great getting along skills and flexibility in their learning. They were rewarded for their efforts with both classes receiving the YCDI awards for Getting Along at Friday's assembly.

As we rapidly head towards the end of the year it comes again to the time where students are completing work and being assessed for their knowledge and skills ready for the reporting period. We encourage all students to attend school regularly so they can complete tasks and really put into practice our keys of confidence, getting along, resilience, persistence and organisation.

The end of the year also brings the promise of 'fun' learning activities such as swim school and our school play. Practice has begun on the play and students are busy choreographing their characters' acts. It is envisaged that most costumes will be provided for by our "stash" and creative staff, but we may ask around to see if anyone has particular props we can use over the coming weeks. At present we are in need of a 'hobby horse' if anyone could lend us one.

Mrs Weatherall

WHAT'S ON AT YPS?

Term 4

November

- 8th Kindergarten Transition for 2025
- 11th Remembrance Day Ceremony
- 13th Kindergarten Transition for 2025

Years 3-6 making damper in English

The Yetman PS students and staff proudly wore their bandannas in support of Canteen and something red in support of Day for Daniel.

Thank you to Tharawonga preschool and the Yetman community in helping us raise \$342 for Canteen and \$50 for Day for Daniel.

Attendance

Each day that a student is marked absent, our School Bytes platform automatically generates an SMS that is sent to the parents. Our request is that parents respond to this message promptly as this ensures that we can account for each child every single day.

Did you know?

If you are aware ahead of time that your child will be absent you can put this information directly into the School Bytes app!

- 
- .Keep the gate closed.**
 - .Adult super vision**
 - .No running.**
 - .No glass.**
 - .Wear bright swimmers.**

Anzac Portal
anzacportal.dva.gov.au

In October 1944, a large US and Allied fleet, including Royal Australian Navy vessels, launched an invasion of Japanese occupied Leyte Island in the central Philippines. The Battle of Leyte Gulf was the largest naval battle of the Second World War.

In January 1945, other Australian warships were involved in the US-led invasion of Luzon. Most of Japan's remaining warships were sent against the invasion force and suffered another heavy defeat in the Battle of Lingayen Gulf.
