## Newsletter

As we reach the end of Term 2, it's a wonderful opportunity to reflect on the incredible learning experiences our students have engaged in, both inside and outside the classroom. This term has been filled with excitement, achievements, and a strong sense of community. Our students have shown remarkable enthusiasm for their studies with their curiosity and commitment to learning shining through in collaborative projects, where teamwork and communication were key. We had great success in our exhibits at the Warialda Show, earning accolades and showcasing the talent within our school community. A huge thank you to our dedicated staff and families for supporting our students' efforts!

Our athletes have also excelled this term. The Cross-Country events were a fantastic display of determination and sportsmanship, with many students achieving personal bests. The athletics carnival was equally impressive, with students showcasing their skills in various events. Congratulations to all participants and a special shout-out to our medal winners!

Looking ahead, next term promises to be just as thrilling! We are eagerly anticipating the upcoming school camp, which will provide students with opportunities for personal growth, teamwork, and unforgettable memories. Additionally, we will be participating in the Small Schools Knockout competitions with North Star Public School for netball and touch football. Our partnership with Bonshaw Public School continues to flourish. Together, we are fostering collaborative learning experiences that benefit both communities.

And some of the best news (according to the students) is that Toasty Term 2 will be extended indefinitely! It has been wonderful to witness students enjoying nutritious lunches that fuel their brains for exceptional learning.

As we wrap up this term, we want to extend our heartfelt gratitude to our teachers, staff, parents, and students for their hard work and dedication. Your support and enthusiasm make our school a vibrant place of learning and growth.

Wishing everyone a restful break and we look forward to welcoming you back for an exciting Term 3!

## Why attendance matters

When your child misses school they miss important opportunities to:

- Learn
- Make friends
- Build skills through fun

---

### Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
<b>1</b> day per fortnight 	<b>4</b> weeks	Over <b>1</b> year missed
<b>1</b> day per week 	<b>8</b> weeks	Over <b>2.5</b> years missed
